EDUCATION AND TRAINING 2010 OBJECTIVES:

- 2.3. Supporting active citizenship, equal opportunities and social cohesion
- 3.5. Strengthening the European co-operation

WHY?

- To promote the acquaintance, comparison, exchange of good practices and project sharing on European citizenship.
- To create a favourable environment to reflect on “alimentary culture” as an anthropological paradigm of society to highlight the values, pedagogical and didactic aspects, useful elements to build a European identity.
- To promote intercultural dialogue and European cooperation.
- To implement spaces and occasions for dialogue with local and regional institutions, universities, press and political decision-makers.

WHAT?

- Meetings with students, teachers, heads of schools and experts;
- integrated approach to observation activities and analysis of experiences, training, transnational cooperation, integration of schools with external Institutions;
- meeting with NEAC - network of European alimentary culture (Comenius network) responsables.

HOW?

- Seminars,
- roundtables,
- meetings,
- visits,
- experiences evaluation.

These activities will be followed by meetings during which several experiences will be compared and the foundations for future twinning and partnerships will be laid. At the end a joint report about the activities carried out will be produced.

WHOM?

Head teachers, teacher trainers.

SHORT DESCRIPTION IN THE HOST COUNTRY'S LANGUAGE:

OBIETTIVI: Promuovere la conoscenza, il confronto, lo scambio di buone pratiche e la condi-visione progettuale sulla cittadinanza europea. Creare un ambiente favorevole alla riflessione sulla “cultura alimentare” quale paradigma antropologico della società per metterne a fuoco i valori, gli aspetti pedagogici e didattici, gli elementi utili alla costruzione dell’identità europea. Promuovere il dialogo interculturale e la cooperazione europea. Realizzare spazi e momenti di dialogo e confronto sul tema anche con le istituzioni locali e regionali, le università, la stampa e i decisori politici. **CONTENUTI:** Incontri con studenti, docenti, capi d’istituto ed esperti. Approccio integrato ad attività di osservazione e analisi di esperienze, di formazione, di cooperazione transnazionale, di integrazione con Istituzioni esterne alla scuola. **SOGGETTI COINVOLTI:** Scuole, Università, Rete Comenius NEAC, Istituzioni governative, Aziende, Associazioni.
